**Sinner**-Ted Dekker 2009-06-28 Some say roll with the punches. Drift with the tide. Nothing can stop the inevitability of change. There was a time when 300 Spartans disagreed with such mindless thinking and stood in the gap. Now it's time for 3,000 to stand in the gap. Sinner is the story of Marsuvees Black, a force of raw evil who speaks with wicked persuasion that is far more destructive than swords or guns. Beware all who stand in his way. It's also the story of Billy Rediger and Darcy Lange, two unsuspecting survivors of a research project gone bad, who discover that they are perhaps the two most powerful souls in the land. Listen to them or pay a terrible price. And it's the story of Johnny Drake, the one who comes out of the desert and leads the 3,000. Follow him and die. Sinner tells the story of a free land where people who worship as they please and say what they believe are suddenly silenced in the name of tolerance. Most will roll with the punches. Most will drift with the tide. But not all. Not the 3,000.

**Outlaw**-Ted Dekker 2013-10-22 New York Times bestselling author Ted Dekker brings an exotic tale of adventure and creates his most memorable character ever. The story of how I, Julian Carter, and my precious two-year old son, Stephen, left Atlanta Georgia and found ourselves on a white sailboat, tossed about like a cork on a raging sea off of Australia's northern tip in 1963, is harrowing. But it pales in comparison to what happened deep in the jungle where I was taken as a slave by a savage tribe unknown to the world. Some places dwell in darkness so deep that even God seems to stay away. There, my mind was torn in two by the gods of the earth. There, one life ended so another could begin. Some will say I was a fool for making the choices I made. But they would have done the same. They, too, would have embraced death if they knew what I knew, and saw through my eyes. My name is Julian and this is my story. But more, it is the story of my son who was born to change the world. From deep in the impenetrable jungles where New York Times bestselling author Ted Dekker was born and raised, comes OUTLAW, an epic adventure of two worlds that perhaps only he could write. Full of harrowing twists, sweeping violence, and wild love, Outlaw takes us beyond the skin of this world to another unseen.
